

Being a PPTA member is my professional identity

ADVOCACY

- Advancing members' industrial and professional interests
- Negotiating terms and conditions in collective agreements that make teaching a first choice profession
- Liberating teachers to teach

EDUCATION

- Providing members with high quality professional and union learning opportunities
- Ensuring members receive the professional learning and development they are entitled to

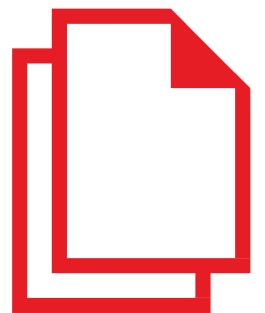

VOICE

- The voice and face of secondary teachers in Aotearoa/New Zealand
- Working with organisations who share our key objective of high quality public education for all

POLICY

- Leading the education policy development, debate and discussion in Aotearoa / New Zealand
- Ensuring our policy development continues to be democratic and member-led
