PPTA Wellbeing Workshops

Creating Positive Workplaces

(Preventing and Responding to Workplace Bullying)

The aims of the wellbeing workshops:

- to identify the features of proactive, respectful school-place cultures;
- to identify the negative features of school environments;
- to explain the definitions of bullying and harassment;
- to review the legislation and duties of reps, teachers and principals;
- to use a risk-management approach to build positive and respectful school-place cultures.

The workshops will be based on case studies that are relevant to secondary schools and also based on the PPTA Education Workers' Wellbeing Strategy and Framework. We will be offering regional wellbeing workshops throughout 2020.
